**AND TENANT:** \_\_\_\_\_

**whose address is** \_\_\_\_\_

**The word "Landlord" as used in this Lease means all of the landlords above listed. In all instances in which the Landlord may exercise rights or perform obligations under this Lease, it may do so through its authorized agents or representatives.**

**The word "Tenant" as used in this Lease means all of the tenants above listed.**

**1. CONDOMINIUM/CO-OPERATIVE RIGHT OF TERMINATION: (The following statement generally, as required by law, must be included in a lease for a condominium or cooperative unit.) THIS BUILDING IS BEING CONVERTED TO OR IS A CONDOMINIUM OR COOPERATIVE. YOUR TENANCY CAN BE TERMINATED UPON 60 DAYS NOTICE IF YOUR APARTMENT IS SOLD TO A BUYER WHO SEEKS TO PERSONALLY OCCUPY IT. IF YOU MOVE OUT AS A RESULT OF RECEIVING SUCH A NOTICE, AND THE LANDLORD ARBITRARILY FAILS TO COMPLETE THE SALE, THE LANDLORD SHALL BE LIABLE FOR TREBLE DAMAGES AND COURT COSTS.**

**2. PROPERTY:** The Tenant agrees to lease from the Landlord and the Landlord agrees to lease to the Tenant (the single family home) (apartment # \_\_\_\_\_) (condominium unit # \_\_\_\_\_) (townhouse unit # \_\_\_\_\_) having a street address of \_\_\_\_\_ located in \_\_\_\_\_, New Jersey (referred to as the "Property").

**3. TERM:** The Term of this Lease is for \_\_\_\_\_ (months) (years) starting on \_\_\_\_\_ and ending on \_\_\_\_\_. This is referred to as the "Term". If the Landlord is unable to give possession of the Property to the Tenant on the first day of the Term, the Landlord shall not have any liability to the Tenant. However, the Tenant shall not be liable for the payment of rent until the Landlord gives possession of the Property to the Tenant. If the Landlord fails to give possession of the Property within 30 days of the start date set forth above, then the Tenant may terminate this Lease by giving notice to Landlord. If the first day of the Term is delayed, then the last day of the Term

40 shall be adjusted accordingly, so that the Term remains for the number of months or years above stated.

41  
42 **4. RENT:** The rent for the Term of this Lease is \$ \_\_\_\_\_, to be paid as follows: \$ \_\_\_\_\_ per month, which is  
43 due on the \_\_\_\_\_ day of each month. Rent shall be payable to: \_\_\_\_\_

44 \_\_\_\_\_  
45 (NAME AND ADDRESS)

46 **5. INITIAL DEPOSIT:** Tenant has paid an initial deposit of \$ \_\_\_\_\_ received on \_\_\_\_\_ that  
47 will be credited towards \_\_\_\_\_ the first month's rent or \_\_\_\_\_ the Security Deposit. The balance shall be paid as  
48 follows: First month's rent \$ \_\_\_\_\_ Due on \_\_\_\_\_, Security Deposit  
49 \$ \_\_\_\_\_ Due on \_\_\_\_\_.

50  
51 **6. SECURITY DEPOSIT:** The Tenant shall pay to the Landlord the sum of \$ \_\_\_\_\_ (the "Security Deposit," which  
52 cannot exceed one and one-half months rent) to assure that the Tenant performs all of the Tenant's obligations under this Lease. If the  
53 Landlord collects any additional Security Deposit, the additional security collected annually shall not be greater than 10 percent of the  
54 current Security Deposit. Landlord shall comply with the Rent Security Deposit Act, N.J.S.A. 46:8-19 et seq. (the "Act"), unless this Lease  
55 is for owner occupied Property with not more than two rental units or is a seasonal tenancy of not more than 125 consecutive days. Any  
56 attempt to waive the requirements of the Act is prohibited and void as a matter of law.

57 The Act requires depositing the Security Deposit into a banking institution or investment company in New Jersey and notifying the Tenant in  
58 writing of the name and address of the banking institution or investment company, the type of account in which the Security Deposit is deposited  
59 or invested (for example, interest bearing or money market), the amount of the Security Deposit, and the current rate of interest for the account  
60 within 30 days of each of the following: (a) the Landlord's receipt of the Security Deposit from the Tenant; (b) the Landlord moving the deposit  
61 from one institution or fund to another (unless the move is due to a merger, in which case a notice to the Tenant must be within 30 days of receipt of  
62 notice by the Landlord of the merger if the merger occurs more than 60 days prior to the annual interest payment); or (c) the transfer or conveyance  
63 of ownership or control of the Property. Such notice also must be provided at the time of each annual interest payment. All interest earned on  
64 the Security Deposit shall be paid to the Tenant in cash or be credited toward the payment of rent due under this Lease upon the anniversary date  
65 of this Lease, the renewal of the Term or on January 31, if the Landlord gives the Tenant written notice that interest will be paid on January 31.

66 The Act also provides that, if the Landlord sells or conveys the Property during the Term of this Lease, the Landlord will transfer  
67 the Security Deposit plus the undistributed interest to the new owner. The Landlord shall notify the Tenant of the sale or conveyance, as  
68 well as the name and address of the new owner. The notice shall be given by registered or certified mail within five days after conveyance  
69 of title. After acquisition of the Property, the new owner shall be liable for investing the Security Deposit, making all interest payments,  
70 giving all notices and returning the Security Deposit as required under the Act, even if the Landlord fails to transfer the Security Deposit.

71 The Landlord shall inspect the Property after the Tenant vacates at the end of the Term. Within 30 days of the termination of this  
72 Lease, the Landlord shall return the Security Deposit plus the undistributed interest to the Tenant, less any charges expended by the  
73 Landlord for damages to the Property resulting from the Tenant's occupancy. The interest and deductions shall be itemized in a statement  
74 by the Landlord, and shall be forwarded to the Tenant with the balance of the Security Deposit by personal delivery, or registered or  
75 certified mail. The Security Deposit may not be used by the Tenant for the payment of rent without the written consent of the Landlord.

76  
77 **7. LATE PAYMENT PENALTY:** If the Tenant does not pay the rent by the \_\_\_\_\_ day of the month, the Tenant shall pay  
78 a late charge of \_\_\_\_\_ until the rent is received by Landlord. The late charge shall be added to the rent, and shall be considered  
79 as additional rent, which is defined in Section 8. In the event any rent check is returned unpaid due to insufficient funds, the Tenant agrees  
80 to pay the Landlord a \$ \_\_\_\_\_ processing charge. In such event, the Landlord reserves the right to demand that future rent  
81 payments be made in cash, bank or certified check.

82  
83 **8. ADDITIONAL RENT:** Landlord may perform any obligations under this Lease which are Tenant's responsibility and which  
84 Tenant fails to perform. The cost to Landlord for such performance may be charged to tenant as "additional rent" which shall be due  
85 and payable with the next installment of monthly rent. The additional rent may include reasonable attorney's fees incurred by Landlord  
86 because of Tenant's failure to perform under this Lease. Landlord has the same rights against Tenant for failure to pay additional rent as  
87 Landlord has for Tenant's failure to pay monthly rent. This means that the Landlord may evict Tenant for failure to pay additional rent.

88  
89 **9. POSSESSION AND USE:** The Landlord shall give possession of the Property to the Tenant for the Term of this Lease except as  
90 otherwise provided in this Lease. The Tenant shall occupy the Property only as a private residence, and will not use the Property for any  
91 business, trade or profession. The Tenant shall not store any flammable, dangerous or hazardous materials at the Property, other than  
92 ordinary household cleaning materials. The Property shall not be allowed to be vacant for any extended period of time.

93  
94 **10. UTILITIES:** The Tenant shall arrange to have the utilities transferred into Tenant's name prior to occupancy, and shall be  
95 responsible for paying the following utility services:  Gas  Electric  Water  Heat  Sewer  General Trash  
96 Disposal  (Other) \_\_\_\_\_.

97 The Landlord shall provide and pay for the following utility services:  Gas  Electric  Water  Heat  Sewer  
98  General Trash Disposal  (Other) \_\_\_\_\_. The Tenant agrees  
99 not to waste or unreasonably use any utility or appliance that is provided by the Landlord. Landlord shall not be responsible for any

100 damage or loss caused to Tenant or Tenant's property because of an interruption in utility services over which Landlord has no reasonable  
101 means of control. Any such interruption shall not be grounds for Tenant to reduce or stop paying rent.

102  
103 **11. NO ASSIGNMENT OR SUBLETTING:** The Tenant may not assign this Lease, sublet all or any part of the Property, or permit  
104 any other person to use the Property without the prior written permission of the Landlord. The Landlord may withhold such permission  
105 in Landlord's sole and absolute discretion.

106  
107 **12. VIOLATION, EVICTION AND RE-ENTRY:** The Landlord reserves the right of re-entry. This means that if the Tenant  
108 violates the terms of this Lease, the Landlord may terminate this Lease and regain possession of the Property. This is done by a court  
109 proceeding known as an eviction. A complaint is served upon the Tenant and the Tenant must appear in court. The Landlord may also  
110 evict the Tenant for any other cause which is permitted by applicable law. When the eviction proceeding is concluded, the Landlord may  
111 regain possession of the Property.

112  
113 **13. DAMAGES:** The Tenant is liable for all the Landlord's damages caused by the Tenant's breach of this Lease. Such damages may  
114 include loss of rent, the cost of preparing the Property for re-renting and a brokerage commission incurred finding a new tenant as a result  
115 of the Tenant's eviction or if the Tenant moves out prior to the end of the Term.

116  
117 **14. QUIET ENJOYMENT:** The Tenant may occupy the Property without interference, subject to Tenant's compliance with the  
118 Terms of this Lease.

119  
120 **15. TENANT'S REPAIRS AND MAINTENANCE:** The Tenant shall:  
121 (a) Pay for all repairs, replacements and damages caused by the act or neglect of the Tenant, the Tenant's family, domestic employees,  
122 guests or visitors, which includes but is not limited to sewer and plumbing drainage problems caused by the Tenant.  
123 (b) Keep and maintain the Property in a neat, clean, safe and sanitary condition.  
124 (c) Cut the grass and maintain the shrubbery.  
125 (d) Drive and park vehicles only in designated areas, if any.

127 (f) Keep the furnace clean, and regularly change the furnace filters, if applicable.  
128 (g) Keep nothing in the Property which is flammable, dangerous or which might increase the danger of fire or other casualty.

130 (i) Use the electric, plumbing and other systems and facilities in a safe manner.

132 containers in accordance with the prescribed pick-up schedule.  
133 (k) Not engage in any activity which may cause a cancellation or an increase in the cost of the Landlord's insurance coverages.  
134 (l) Use no more electricity than the receptacles, wiring or feeders to the Property can safely carry.  
135 (m) Obey all instructions, written or otherwise, of the Landlord for the care and use of appliances, equipment and other personal  
136 property.  
137 (n) Do nothing to destroy, deface or damage any part of the Property.  
138 (o) Promptly comply with all orders and rules of the Board of Health or any other governmental authority which are directed to the  
139 Tenant.  
140 (p) Do nothing which interferes with the use and enjoyment of neighboring properties.  
141 (q) Do nothing to cause any damage to any trees or landscaping on the Property.  
142 (r) Keep the walks and driveway free from dirt, debris, snow, ice and any hazardous objects.  
143 (s) Comply with such rules and regulations that may be published from time to time by the Landlord.

144  
145 **16. LANDLORD REPAIRS:** The Landlord shall make any necessary repairs and replacements to the vital facilities serving the  
146 Property, such as the heating, plumbing and electrical systems, within a reasonable time after notice by the Tenant. The Tenant may be  
147 liable for the cost of such repairs and replacements pursuant to Section 15. The Landlord shall not be liable for interruption of services  
148 or inconvenience resulting from delays in making repairs or replacements if due to circumstances beyond Landlord's reasonable control.

149  
150 **17. ACCESS TO THE PROPERTY:** The Landlord shall have access to the Property on reasonable notice to the Tenant in order to  
151 (a) inspect the interior and exterior of the Property, (b) make necessary repairs, alterations, or improvements, (c) supply services, and (d)  
152 show it to prospective buyers, appraisers, contractors or insurers. The Landlord may enter the Property without prior notice in the event  
153 of an emergency or if the Tenant is not home for more than seven consecutive days. If this Lease is not renewed as per Section 27 of this  
154 Lease Agreement, Landlord shall then be allowed access to the Property at any time prior to the end of the Term for showing of Property  
155 to prospective tenants.

156  
157 **18. NO ALTERATIONS OR INSTALLATION OF EQUIPMENT:** The Tenant may not alter or change the Property without first  
158 obtaining Landlord's written consent. By way of example, the Tenant may not:

159 (a) Install any improvement such as carpeting, paneling, floor tiles, or any other improvement which is nailed or tacked down, cemented

- 160 or glued in;
- 161 (b) Install any locks or chain guards;
- 162 (c) Wallpaper, affix wall coverings or other permanent type decorations;
- 163 (d) Install or change the electrical, plumbing, heating or air cooling system.

164 When painting (whether interior or exterior), the Tenant must have the Landlord's permission regarding paint colors. All painting must  
165 be done in a professional and workmanlike manner. The Tenant shall repair all walls and ceilings which had pictures or fixtures attached,  
166 prior to vacating. Any and all changes, additions or improvements made without the Landlord's written consent shall be removed by the  
167 Tenant on demand by the Landlord. The Property shall be in substantially the same condition at the end of the Term as it was at the  
168 beginning of the Term, reasonable wear and tear excepted.

169 All permitted changes, additions and improvements shall become the property of the Landlord when completed, shall be fully paid  
170 for by the Tenant, and shall remain as part of the Property at the end of the Term of this Lease, unless the Landlord demands that the  
171 Tenant remove them. The Tenant shall not allow any construction lien or other claim to be filed against the Property. If any such lien or  
172 claim is filed against the Property, the Tenant shall have it promptly removed.

174 **19. INSPECTION:** If the municipality requires a continued use inspection or certificate of occupancy prior to occupancy, the  
175 Landlord shall be responsible for obtaining such inspections and certificates as well as making the necessary repairs.

177 **20. INSURANCE:** The Tenant shall be responsible for obtaining, at Tenant's own cost and expense, a tenant's insurance policy for  
178 the Tenant's furniture, furnishings, clothing and other personal property. The Tenant's personal property shall not be the responsibility of  
179 the Landlord, and will not be insured by the Landlord. The Tenant's insurance policy must also include liability coverage. Upon request,  
180 the Tenant shall periodically furnish Landlord with evidence of Tenant's insurance policy.

182 **21. FIRE AND OTHER CASUALTY:** Immediate notice shall be given by the Tenant to Landlord of any fire or other casualty  
183 which occurs at the Property. If the Property is uninhabitable, Tenant's obligation to pay rent shall cease until the time that the Property  
184 is restored by the Landlord. If only a part of the Property is uninhabitable, then the rent shall be adjusted proportionately.

185 If only part of the Property is damaged, the Landlord shall repair the Property within a reasonable period of time. Landlord shall not  
186 be obligated to repair or restore any improvements that Tenant has made to the Property.

187 Either party may cancel this Lease if the Property is so damaged by fire or other casualty that the property cannot be repaired within  
188 90 days. The Landlord's determination in such regard shall be final, conclusive and binding on both parties.

189 The Lease shall end if the Property is totally destroyed. The Tenant shall pay rent to the date of destruction.

191 Tenant shall pay for all repairs and other damages.

193 **22. LIABILITY OF LANDLORD AND TENANT:** The Landlord is not legally responsible for any loss, injury or damage to any  
194 person or property unless such loss, injury or damage is directly caused by the Landlord's negligence. The Tenant is legally responsible  
195 for loss, injury or damage to any person or property caused by the negligence of the Tenant, the Tenant's family members, domestic  
196 employees, guests or visitors.

203 mail, return receipt requested, unless applicable law requires a different means of notice. Notices to the Landlord shall be at the address  
204 on the first page of this Lease, and to the Tenant at the Property.

206 **25. NO WAIVER:** The Landlord's failure to enforce any obligation of the Tenant contained in this Lease in any one instance shall  
207 not prevent the Landlord from enforcing the obligation at a later time.

209 **26. SEVERABILITY:** If any term or condition of this Lease is contrary to law, the remainder of the Lease shall be unaffected and  
210 shall continue to be binding upon the parties.

212 **27. RENEWAL OF LEASE:** The Tenant must be offered a renewal of this Lease by the Landlord, unless the Landlord has good  
213 cause not to do so under applicable law. Reasonable changes may be included in the renewal Lease. Not less than \_\_\_\_\_ days  
214 before the expiration of the Term of this Lease, the Landlord shall notify the Tenant of the proposed terms for the renewal Lease. Within  
215 \_\_\_\_\_ days after the Tenant receives the Landlord's renewal notice, Tenant shall notify Landlord whether Tenant accepts or  
216 rejects the proposed renewal Lease. If the Tenant does not notify the Landlord of Tenant's acceptance, then the Landlord's proposal shall  
217 be considered to have been rejected. If the Tenant does not accept the renewal Lease, the Tenant must vacate the Property at the end of  
218 the Term.

220 **28. FURNITURE:** If the Property is leased in furnished condition, or if the Landlord leaves personal property to be used by the  
221 Tenant, the Tenant shall maintain the furniture and furnishings in good condition and repair. A list of such items shall be attached to this
